

Website Terms and Conditions

Andrea Dedik Photography | Effective 30 October 2026

1 About these terms

These terms apply to use of the Andrea Dedik Photography website at www.andreadedikphotography.com. I am Andrea Plic Dedikova, trading as Andrea Dedik Photography (ABN 13 371 592 616), on the Gold Coast, Queensland. In these terms, “I”, “me” and “my” refer to me as the sole trader. Contact me at info@andreadedikphotography.com or 0401 302 081.

These are website-use terms, not the complete agreement for a photography session. Session details, deliverables, payment, cancellation, rescheduling and image-use rights are set out in the booking agreement provided for your review before you commit to the booking. For a booking-specific issue, that agreement applies, subject always to your non-excludable legal rights.

2 Enquiries prices and bookings

Sending a contact or booking enquiry does not by itself confirm availability or create a confirmed session. I will explain the booking steps and provide the applicable price and terms before confirmation.

Prices are in Australian dollars unless stated otherwise. I am not registered for GST and do not add GST. The total price and any additional charges will be disclosed before you agree to the booking. The AUD 200 booking deposit is credited towards the total package price; it is not an additional charge. The remaining balance is due within 48 hours after the session. Cancellation, rescheduling and the treatment of payments are addressed in the booking agreement and applicable law.

I may update advertised packages or prices for future bookings. An update does not change the agreed price or terms of an existing booking without your agreement, except where the law permits otherwise. If website information is unclear or appears incorrect, please contact me before relying on it; an error does not automatically cancel an existing agreement.

3 Using the website

Please use the website lawfully. Do not interfere with its security or operation, attempt unauthorised access, upload malicious material, impersonate another person, or submit abusive or unlawful content. Provide information you are authorised to share and keep relevant enquiry details accurate.

I may take reasonable and proportionate steps to protect the website and its users if it is misused. Any restriction on website access does not remove rights arising from an existing booking or under consumer law.

4 Website content and photographs

Website photographs, text, branding and other content are owned by me or used with permission. You may view the website for personal use, but must not reproduce or commercially use its content without the relevant permission or another lawful basis. Rights in photographs supplied to a client are governed by the booking agreement and applicable law, not merely by this website clause.

Please do not copy or republish photographs of other clients or share private gallery links without authority. Publicity permission for photographs of you or your children is handled separately from website use and booking acceptance.

5 Privacy and external services

My Privacy Policy explains how I handle personal information. External websites and services linked from this website may have their own terms and privacy policies. A link does not mean I endorse every statement or service offered by that third party.

6 Consumer rights and website availability

Nothing in these terms, the Website Disclaimer or a booking agreement excludes, restricts or modifies a consumer guarantee, right or remedy under the Australian Consumer Law or any other law that cannot lawfully be excluded, restricted or modified. If there is an inconsistency, those rights and remedies prevail.

I take reasonable care with website information, but the website may occasionally be unavailable or require correction. Please contact me if you need to confirm current information. This does not excuse misleading information, remove a promised service or limit my responsibility where the law does not allow that limitation.

7 Questions complaints and changes

If you have a concern, please contact me and explain the issue and the outcome you are seeking. I will consider it in good faith and give you a response and next steps within 30 days. This is not a guarantee of resolution within 30 days. I will work with you to resolve it and explain any further steps and expected timing. You remain free to seek advice, contact the relevant consumer authority or use a court or tribunal with jurisdiction; contacting me is not a waiver of those options.

I may update these website terms for future website use by publishing a dated version. Updates do not retrospectively change the terms of an existing booking. These website terms are governed by the laws of Queensland and applicable Commonwealth laws, without limiting any mandatory rights you have or any court or tribunal's lawful jurisdiction.
